

## Global citizens for the 21<sup>st</sup> century

Join us in the BRIGHTS multiplier event “Global citizens for the 21<sup>st</sup> century” that will be held at the Centre of technical culture Rijeka in Rijeka, Croatia, on Wednesday, February 7<sup>th</sup>, starting at 10:00 and lasting until 15:00.

They will gather the representatives from the formal and informal education, and all the other stakeholders interested in the Global Citizenship Education.

On the event, they will present and promote the BRIGHTS Project and how to participate in the project. Also, they will present the examples of good practice, talk about the topics related to the Global Citizenship Education, and highlight why it is so important in the context of contemporary society.

This is the list of experts and the topics they for the event:

9:30 – 10:00 Participant registration

10:00 – 10:10 Opening of the event
